5. KEEPING IN TOUCH WITH PAST PUPILS

We do on occasion keep in touch with former pupils and parents or other members of the school community. We may use your contact details to update you on our activities and invite you to events of interest by email or post.

Should you wish to limit or object to any such use, or would like further information about them, please contact Mr Driscoll in writing. You always have the right to withdraw consent, where given, or otherwise object to direct marketing or fundraising. However, the school is nonetheless likely to retain some of your details (not least to ensure that no more communications are sent to that particular address, email or telephone number).

6. HOW LONG WE KEEP PERSONAL DATA

We retain personal data only for a legitimate and lawful reason and only for so long as necessary or required by law. We have adopted Records Retention Guidelines which set out the time period for which different categories of data are kept. If you have any specific queries about our record retention periods, or wish to request that your personal data is considered for erasure, please contact Mr. Driscoll.

7. YOUR RIGHTS

You have various rights under Data Protection Law to access and understand the personal data we hold about you, and in some cases to ask for it to be erased or amended or for us to stop processing it, but subject to certain exemptions and limitations.

You always have the right to withdraw consent, where given, or otherwise object to receiving generic or fundraising communications. Please be aware however that the school may have another lawful reason to process the personal data in question even without your consent. That reason will usually have been asserted under this Privacy Notice, or may exist under some form of contract or agreement with the individual (e.g. an employment or parent contract, or because a purchase of goods).

If you would like to access or amend your personal data, or would like it to be transferred to another person or organisation, or have some other objection to how your personal data is used, please make your request in writing to the School.

We will respond to any such written requests as soon as is reasonably practicable and in any event within statutory time-limits, which is one month in the case of requests for access to information. We will be better able to respond quickly to smaller, targeted requests for information. If the request is manifestly excessive or similar to previous requests, we may ask you to reconsider or charge a proportionate fee, but only where Data Protection Law allows it.

You should be aware that certain data is exempt from the right of access. This may include information which identifies other individuals, or information which is subject to legal privilege. We are also not required to disclose any confidential reference given by the school for the purposes of the education or training of any individual.

8. PUPIL DATA

The rights under Data Protection legislation belong to the individual to whom the data relates. However, for pupils to the age of 13 years we need parental consent to process personal data relating to pupils (if consent is required). Parents should be aware that in some situations they may not be consulted, depending on the interests of the child, the parents' rights at law or under their contract, and all the circumstances. Where a pupil seeks to raise concerns confidentially with a member of staff and expressly withholds their agreement to their personal data being disclosed to their parents, we may be under an obligation to maintain confidentiality unless, in our opinion, there is a good reason to do otherwise; for example, where the school believes disclosure is a Safeguarding issue, or is required by law. A person with parental responsibility will generally be entitled to make a subject access request on behalf of pupils, but the information in question is always considered to be the child's at law. A pupil of any age may ask a parent or other representative to make a subject access request on their behalf. Moreover (if of sufficient maturity) their consent or authority may need to be sought by the parent making such a request.

9. CHANGE OF DETAILS

We try to ensure that all personal data held in relation to an individual is as up to date and accurate as possible. Please notify the Office at St Ambrose Preparatory School of any significant changes to important information, such as contact details, held about you.

10. THIS POLICY

Our privacy notice should be read in conjunction with our other policies and terms and conditions which make reference to personal data, including our Admissions Contract, our Safeguarding Policy, Health & Safety Policies, Acceptable Use Policies and IT Policies. We will update this Privacy Notice from time to time. Any substantial changes that affect how we process your personal data will be notified on our website and to you directly, as far as practicable. If you believe that we have not complied with this policy or have acted otherwise than in accordance with Data Protection Law, you should notify our Data controller Miss. S. Aldridge You can also make a referral to or lodge a complaint with the Information Commissioner's Office (ICO), although the ICO recommends that steps are taken to resolve the matter with us before involving them.
